

# TAKE LEFTOVER HAZARDOUS PRODUCTS TO WILDCAT CREEK WASTE DISTRICT

## Here's How...

Call 423-2858 and tell our staff what materials you have. Get safe packing/transportation instructions and directions to the site.

Bring materials packed upright in cardboard boxes in your trunk to 2780 N. 9th Street Mondays from 9am-6pm. We also take appointments during the week.

## WE TAKE THESE MATERIALS.

Acids  
Ammonia  
Ammunition  
Antifreeze  
Aerosol Cans  
Bleach  
Brake Fluid  
Bug Spray  
Car Batteries  
Coleman Fuel  
Computers  
Computer Monitors  
Cooking Oil  
Deck Sealer  
Drain Opener  
Fire Extinguishers  
Flares  
Flea Spray  
Fluorescent Lamps  
Furniture Polish  
Gasoline  
HID Lamps  
Kerosene  
Lamp Oil  
Linseed Oil  
Mercury in Jars

Mercury Thermometers  
Mercury Thermostats  
Mineral Spirits  
Mole Bait  
Motor Oil  
Motor Oil Filters  
Monitors/CPU's  
NiCad Batteries  
NiHydride Batteries  
Oil Based Paint  
Oil Based Stain  
Oil Based Varnish  
Oven Cleaner  
Paint Remover  
Paint Thinner  
PCB Capacitors  
Pesticides  
Photo Chemicals  
Poisons  
Pool/Spa Chemicals  
Propane Tanks  
Solvents  
Spray Cans  
TV's  
Weed Killers  
Wood Preservatives

## WE DON'T TAKE THESE.

Alkaline Batteries (Non-rechargeable batteries go out with the trash.)  
Medical Waste (Call for names of disposal companies.)  
Explosive Materials (Call us. We'll get the right people to help.)  
Asbestos (We can tell you which landfills take it and who to call.)  
Empty Containers (Put out for the regular trash with the lids off.)  
Latex Paint (Unless lead is listed on ingredient list. See how to dry.)

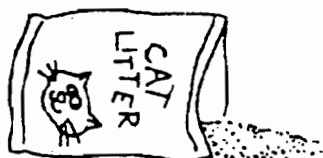

### How Do I Dry Out Latex Paint for Disposal?

Read the Label. Oil Based/Alkyd/Combustible/Clean Up With Mineral Spirits paint goes to the hazardous products collection - do not dry it out.

For Latex/Acrylic/Clean Up With Soap and Water paint pour cheap clay cat litter or oil dri in the can on a 1:1 ratio and stir. It will dry in a day or two. Leave the lid off and set out with the regular trash. If sanitation workers can't see it is dry they won't pick it up.

### What If I have full cans of latex paint?

Line a cardboard box with a trash bag. Pour oil dri or cheap clay cat litter in the box then half the can of paint on top. Fill the half full can with cat litter. Stir both and let dry for a day or two. Set out for the regular trash with the lid off.

# YOUR TIPPECANOE RECYCLING GUIDE

## Antifreeze

**West Lafayette Street Dept.**  
705 South River Road, WL/24 hour 775-5242  
**Wildcat Creek Waste District**

2801 Northwestern Ave., West Lafayette  
8am-7pm all week/463-8392  
**West Lafayette Recycling Center**  
705 S. River Rd. West Lafayette.  
24 hour drop off center. Pour oil into container.  
Can accept up to 20 gallons at a time.

## Motor Oil Filters

**West Lafayette Recycling Center**  
705 S. River Rd. West Lafayette.  
24 hour drop off/place in gray bin

## Motor Oil - Large Amounts

**Warrior Oil/(317) 738-9777**  
Free pick up of 250 gallons or more of uncontaminated motor oil. \$50 pick up fee for smaller amounts. Call ahead to schedule.

## Paint - Latex

Dry latex paint by stirring in as much cheap clay cat litter or oil dri as there is paint in the can. It will dry in 24 hours - set out with the regular trash lid off. If the sanitation workers can't see it is dry they won't pick it up. Wildcat Creek Waste District DOES NOT accept latex paint for hazardous product disposal.

## Propane Tanks

**Lafayette Bottled Gas**  
575 Beck Lane, Lafayette M-F 8am-5pm  
**Wildcat Creek Waste District**  
2780 N. 9th Street - Mondays 9am-6pm or by appointment.

## Refrigerators Freezers Air Conditioners Dehumidifiers

Call Wildcat Creek Waste District for a list of area vendors certified to reclaim CFC's and recycle the appliance at 423-2858. All charge fees for pickup and disposal. These contain CFC's and cannot be put out for trash disposal.

## Toxic Leftovers

Don't pour, dump or trash toxic, flammable, or corrosive products. This can harm people and pollute our land, air, water and wildlife. Bring unwanted paint thinner, pesticides, acids, weed killer, mercury, furniture polish, pool chemicals etc. to:

**Wildcat Creek Waste District**  
2780 N. 9th Street - Mondays 9am-6pm or by appointment. Call first
